## Meadowlark Audubon Chapter Scholarship

In Memory of Deb Woodbridge

The Deborah Woodbridge Memorial Meadowlark Audubon Scholarship was named in honor of an individual who, before she passed away in 2008, helped champion the effort to award a scholarship to a deserving high school graduate from the four-county region the Meadowlark Audubon Society serves (Park, Bighorn, Hot Springs, and Washakie). The scholarship was created to help send to college local students whose career plans would further the mission of the Audubon Society, which is, “To conserve and restore natural ecosystems, focusing on birds, other wildlife, and their habitats for the benefit of humanity and the earth’s biological diversity.” One scholarship (between \$750 and \$1,000) will be awarded to the recipient as a tuition payment to the college to which they have been accepted.
